

MODULAR VALVES - SANDWICH PLATE MOUNTING FLOW CONTROL VALVES

Tech Data - CETOP Modular Flow Control valves

Valve	Type	Size
AM2QF	Modular valve with one way not compensated throttle valves and free flow in opposite direction.	NG4 - CETOP 2
AM3QF	Modular valve with one way not compensated throttle valves and free flow in opposite direction.	NG6 - CETOP 3
AM66	Modular adapter for usage of 1, 2 flow control valves pressure compensated QC3	NG6 - CETOP 3
A66	Modular valve, solenoid operated NO/NC, for 2 speed actuation	NG6 - CETOP 3
AM5QF	Modular valve with one way not compensated throttle valves and free flow in opposite direction.	NG10 - CETOP 5
AM88	Modular adapter for usage of 1, 2 flow control valves pressure compensated QC3	NG10 - CETOP 5
A88	Modular valve, solenoid operated NO/NC, for 2 speed actuation	NG10 - CETOP 5
AM7QF	Modular valve with one way not compensated throttle valves and free flow in opposite direction.	NG16 - CETOP 7
