

MODULAR VALVES - SANDWICH PLATE MOUNTING PRESSURE CONTROL VALVES

Tech Data - Pressure control valves

Valve	Type	Size
AM2VM	Modular valve with direct operated pressure relief valves	NG4 - CETOP 2
AM3VM / AM3VI	Modular valve with direct operated pressure relief valves. Cross function available	NG6 - CETOP 3
AM3CP	Modular valve with in line direct operated pressure relief valves and check valves. Back pressure function.	NG6 - CETOP 3
AM5VM / AM5VI	Modular valve with pilot operated pressure relief valves. Cross function available	NG10 - CETOP 5
AM5CP	Modular valve with in line direct operated pressure relief valves and check valves. Back pressure function.	NG10 - CETOP 5
