

ELECTRONICS FOR FLUID POWER SOLENOID VALVE DRIVERS

Tech Data - Solenoid valve driver

Type	Description
CEP.S	Electronic amplifier plug version for single proportional valve
REM.S.RA	Regulators for single solenoid proportional control valve
REM.D.RA	Regulators for double solenoid proportional control valves
LAB3	Self levelling Device
MAV1152	Control unit for one proportional and ON/OFF directional valve
MAV4211	Control unit for proportional valves control
